

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

May I start by saying a heartfelt thank you for your on-going support across many facets of school life throughout the last term, enabling us to offer the children within our community the best of opportunities, despite the somewhat challenging times that we have all had, primarily due to the pandemic.

Regaining the opportunity for children to learn, in the broadest sense of the word, uninterrupted and uninhibited across both the academic and co-curricular programmes, has brought a feeling of normality to school life that has been greatly appreciated and sorely missed over the last two years.

The last week of term has encapsulated this new opportunity, with children across the School enjoying opportunities and creating memories that I am sure will last a lifetime. [The Spring Variety Performance](#) captured this spirit, with children across the Prep department displaying their gymnastic, dance and musical ability in a wonderfully uplifting performance on Monday, while Year 4 enjoyed their Viking day, courtesy of History Off The Page, creating their own ink, braiding and pottery, before turning into archaeologists for the afternoon.

Monday saw us enjoy the senior cross-country with wonderfully competitive races, before we waved off the hockey tour on Tuesday morning for their trip to Nottingham, with training sessions from current England internationals and matches against hockey clubs forming the basis of the trip.

While today allowed us to wrap up the term in style with a final assembly, Year 3 and 4 were also treated to a Puppet Theatre visit which was a delight to see, while the Pre Prep held their Bakes and Books sale.

I hope everyone has a wonderful Easter break and I look forward to seeing and hearing all about the 5 kilometre events that the children have done to raise funds for Ukraine.

With best wishes
