

WEEK 1, APRIL 22ND, 2022

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

Welcome to the Summer Term and what promises to be a very busy few weeks. The staff and children are all excited about what lies ahead for the duration of the term, with a wide myriad of events taking place to spark interest, broaden experiences and bring no small amount of fun to everyday life at Town Close.

Term started with the thoughts of the community firmly on the plight of Ukraine, with the words of Mr Kendrick calling us to action to raise much-needed funds to help support the humanitarian crisis, especially for the million children displaced by the conflict. It is wonderfully heart-warming to see a community pull together and so far, we have raised over £3,500, although I am sure there will be much more to come. Seeing the different ways in which the children have done their 5km is a genuine marvel and thank you to everyone who has supported this wonderful initiative.

Yesterday saw the return of internal swimming gala's, with the junior gala for Years 3 and 4 kicking us off. With each child swimming in representation of their House it was a busy afternoon, with the support and camaraderie on display from the children adding to the atmosphere. Thank you to the copious number of parents who were able to support the event, I know that all the children enjoyed performing to a large audience.

Year 1 and 2, along with their parents, were treated to a wonderful coffee and music morning, where a snapshot of the musical talent within the school was on show. Hopefully the children were inspired to take up a musical instrument of their own and join the music department.

I hope you all enjoy the weekend and I look forward to seeing many of you on Monday afternoon for the Prep Tea and Cake event on the front Lawn.

With best wishes
