

# HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

The last week has been very busy for all the children, especially those towards the top end of the Prep Department. Academia has been centre stage, with all those in Years 5-7 sitting their exams over the course of the last three days.

It has been wonderful to see the children engaged with their studies and revision, as well as the focus and hard work that has been in abundance. Equally, there was a great sense of achievement today after the last exam finished, with the children celebrating a successful week.

There has been cricket aplenty as well with several teams in action. I do hope you are able to follow the results both through this newsletter and on the parent portal, which also lists the players of the match.

Elsewhere it was great to see the swimmers in action up at Gresham's, as well as the athletes competing at the UEA track, with many notable performances. Those of us fortunate enough to attend were regaled by the musical talent of the Year 4 soloists on Thursday evening, in much the same way that the acting and performance skills of the Pre Prep assemblies did earlier in the week.

As we look to next week, so our focus turns to the Platinum Jubilee celebrations that we will be holding on Thursday, which promises to be an exciting day for all. To those parents of children in Pre Prep, I look forward to catching up at the Tea and cake event on Monday afternoon.

Whatever the weekend holds for you, I hope you enjoy it and I look forward to seeing those of you coming to the PTA Summer Social tonight.

With best wishes
