

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

I hope that you all feel somewhat refreshed and reinvigorated after the half term break, ready for what will be a busy but thoroughly enjoyable final few weeks of the academic year. As staff, we are thrilled to be able to host you all onsite for a number of differing events, thereby allowing us all to come together again as a community and celebrate the talent and ability of all the children.

Over the course of half term, while many of us were celebrating the Platinum Jubilee, some of the children were busy treading the boards at the Maddermarket Theatre in Matilda. My congratulations to Alec, Anashe, Harriet and Florence who put in amazing performances and were rightly recipients of outstanding reviews and standing ovations.

While this week sees Year 4 enjoying the delights of Horstead on their three day residential and Year 6 exploring the coast of Suffolk and the Imperial War Museum at Duxford with the Humanities department, the main focus has been on the children in Year 8, who have been sitting their CE exams. If the effort, energy and sheer hard work they have put in is anything to go by, I have no doubt their results will be very impressive and thoroughly deserved.

Despite the weather doing its best to rain whenever there is the hint of a cricket match in the air, we have managed to play a good number of matches with some impressive results. Please do refer to the parent portal for the outcome of all the matches. I look forward to hearing how our athletes got on today at the qualifier for the National finals later this term.

I hope you all have a wonderful weekend and I look forward to seeing you at one of the many events over the remaining weeks of term.

With best wishes
