

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

A great number of my weekly assemblies focus on looking to inspire the children to grasp the opportunities that come their way while at Town Close. This has certainly been evident over the course of this term, with children practising, rehearsing and revising for their first sports day, drama production, music concert, school exam and school trip.

At the beginning of this week, I was fortunate enough to be able to spend three days with our Year 8s on their leavers' trip to the Lake District. It was such a privilege to enjoy the company of these boys and girls and they certainly embraced all that was on offer. I hope they had as much fun as I did and I look forward to hearing all about the stories and tales that they come back with.

Another first was the wonderful Year 6 French Breakfast Cafe on Thursday morning on the Front Lawn. A huge thank you to Mr Walker and all the children in year 6 who gave their parents a real treat with coffee and croissants, all ordered in French.

Elsewhere we have been treated to a wonderful Year 3 assembly, with the confidence and professionalism of the event impressing everyone in attendance, while Year 5 and 6 had a visit from the RAF, who worked with them on engineering concepts that they could try out.

Thank you to the Alston family for hosting Year 2 on their visit to their farm, a trip that the children were buzzing about for the rest of the day.

Well done to all those that have represented the school in cricket matches this week and I am looking forward to watching some of the House Cricket matches over the final three weeks of term.

Many congratulations to all of our Year 8s on passing their Common Entrance exams.

Whatever the weekend brings you, I hope it is a relaxing one ahead of a busy final few weeks of term.

A handwritten signature in black ink, appearing to read 'd. h. w.', is written on a white background.

With best wishes
