

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

Events at Town Close have been a hallmark of the last week, with the tea and cake event, multiple parents evenings and a Nursery coffee morning enabling us all to meet as a community. It was lovely to see so many of you and thank you for supporting each of these events, even if the weather was not always kind to us.

On Tuesday we had a visit from Childnet, who spoke to all members of the Prep Department, all staff and a very positive number of parents about the pitfalls that can befall us all when using the internet. It was a delight to see the importance that we all placed on online safety, especially in helping our children to safely navigate use of the internet.

This week also saw the start of the class assemblies, with 3A delivering a wonderful performance centred on cats. In Pre Prep, the children have been looking at the 90 years of history at Town Close, with the highlight of the last few days being a visit from Dr David Bryce, a former pupil at the school from the 1950s.

Elsewhere there have been a multitude of sports matches for both the girls and boys with many fine individual performances, a trip to Walsingham with the TPR department and a visit to the Time and Tide museum in Great Yarmouth.

Overall it has been another busy, engaging and enlightening week for the children, full of learning and discovery, which continues next week with the Year 8 children setting off for their French trip to the chateau de la Boudonniere.

Whatever the weekend holds for you, I hope you enjoy it.
