

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

As the Autumn term draws to a close, so it provides the chance to reflect on all that has gone on at Town Close over the course of the last thirteen weeks.

The School has been reassuringly busy, with the rhythms of school life fully restored after a two year hiatus. There has been a great deal of hard work, with discovery, wonder and learning taking many different guises, while the hallways have continued to resonate to the sounds of happy and enthused children, enjoying the chance to forge friendships and play in an environment that provides them with the freedom to be who they are.

In addition there have been any number of trips, matches, concerts, plays and events both in school and wider afield, designed to spark an interest that may well become a passion for someone, while also creating a memory that will hopefully last a long time. Last week was a prime example, with a Christmas Fayre that was the first of its kind, allowing us all to enjoy a moment of festivity as a community in an otherwise hectic time of the year.

This week has been no different with four outstanding Christmas productions from Pre Prep and Nursery providing great pride, mirth and enjoyment for their parents and anyone who was able to watch the performances.

Elsewhere there have been a number of fun and festive events around school, both within class and under the slightly more competitive umbrella of the house system, as well as a visit to Pre Prep of a Planetarium.

The term was brought to a wonderful conclusion today with the Carol Service at St Peter Mancroft, a service that struck a wonderful chord for all those who were able to attend.

I would like to take this opportunity to wish you all a very happy Christmas and New Year.

With best wishes
